Work Experience

QVIQ (Tapop)

Full Stack Web development Intern

Remote

September. 2023 - December. 2023

- Developed Qviq's website using React.js, Tailwind CSS, and Node.js, with MongoDB for efficient data management..
- Translated Figma designs into functional web interfaces, ensuring a seamless and visually appealing user experience.
- Maintained effective communication channels, ensuring transparency and coordination within the team for optimal workflow..
- Collaborated with fellow interns to generate innovative ideas, presented suggestions to management, and provided regular day-to-day updates on project progress.
- Contributed to qviq.io

Fuelcab

Web development Intern

Remote

January. 2023 - July. 2023

- Developed using Firestore, Firebase Authentication and the Realtime Database.
- Collaborated with the 10 members team, successfully delivering production-ready code.
- Enhanced user interface and optimizing the overall performance to deliver a seamless online experience for Fuelcab's customers.
- Contributed to fuelcab.com

Fuelcab

Web development Intern

Remote

July. 2022 - August. 2022

- Led design and development of the entire site.
- Attained advance proficiency in React, including context and redux usage.
- Enhanced my technical expertise and endeavored to acquaint myself with Firebase and GitHub.

Baltra Home Appliances

Customer Service Manager

Remote

July. 2021 – Jan. 2022

- Solved the problem of customer and managing the CRM.
- Hired a technician for field work and also trained them for service on customer's site.
- Involved with the heads of company and its employees to learn about the workflow of all these transitions of spare parts and services.
